Absolute Beginner's Guide to eBay (3rd Edition) Michael Miller

On any given day there are more than 28 million items listed for auction at eBay, the world's largest online trading community. Almost \$34 billion worth of merchandise, in more than 1.4 billion individual auctions, was traded over eBay during the year 2004; that's \$93 million a day, or more than \$1,000 every second. At the end of 2004, eBay had more than 135 million registered users - more than double the number of users just two years previous.

The first two editions of this book were best-sellers, so it's only natural we would update this great book to reflect some of eBay's most recent upgrades such as: eBay Stores, Half.com, and Trading Assistants.
