Norms and Nobility: A Treatise on Education

David V. Hicks

Norms and Nobility: A Treatise on Education David V. Hicks

A reissue of a classic text, *Norms and Nobility* is a provocative reappraisal of classical education that offers a workable program for contemporary school reform. David Hicks contends that the classical tradition promotes a spirit of inquiry that is concerned with the development of style and conscience, which makes it an effective and meaningful form of education. Dismissing notions that classical education is elitist and irrelevant, Hicks argues that the classical tradition can meet the needs of our increasingly technological society as well as serve as a feasible model for mass education.
