Samantha Wears a Contact Lens and Patch... JUST LIKE YOU!: A day in the life of a unilaterally aphakic child Juliette S Vignola

Spend a day with Samantha, a fun-loving girl who loves to read and play, and who also happens to wear a contact lens and a patch! This book follows Samantha through the day as her mommy inserts the contact lens, Samantha chooses which super-awesome patch to wear (coordinating with her clothes of course!) and wears cool sunglasses while playing with her friends outside. Samantha also visits the eye doctor and shows off the glasses that she wears when she occasionally can't wear her contact lens. Later in the day, Samantha's mommy removes the contact lens and Samantha gets a big hug.

This fun book will help your child to see that the contact lens is just one part of an otherwise busy life, and that contact lens insertion and removal is not so bad!

This title is also available in Spanish, Italian, and French.
