Architecture Now! Eat Shop Drink Philip Jodidio

Catering to the client: Exceptional eateries, bars, and boutiques worldwide

Some of the most spectacular architectural designs of the moment have to do with our most basic needs: eating, drinking, and shopping. Restaurants, bars, and boutiques are the substance of this new book that puts an emphasis—like all volumes of the *Architecture Now!*-series—on the very latest and best creations. This is where you will find the likes of **David Chipperfield** and **Peter Marino** in the same book, where **Jean Nouvel** and BIG star **Bjarke Ingels** meet. But it is also the place to discover new talents like the designer of London's Late Night Chameleon Café, **Gary Card**, to see how the director **David Lynch** imagined the subterranean Paris nightclub Silencio, or what designer **Tom Dixon** conjured up for the Tazmania Ballroom in Hong Kong. Also included is A Cantina, in Galicia, Spain, winner of Best Overall Restaurant at the 2012 Restaurant and Bar Design Awards. From Kobe, Japan to Turku, Finland to São Paulo, Brazil, *Eat Shop Drink* rounds up the newest and brightest places to see and be seen.

Text in English, French, and German
