Kicked Celia Aaron

Trent Carrington. Trent Mr. Perfect-Has-Everyone-Fooled Carrington. He's the star quarterback, university scholar, and happens to be the sexiest man I've ever seen. He shines at any angle, and especially under the Saturday night stadium lights where I watch him from the sidelines. But I know the real him, the one who broke my heart and pretended I didn't exist for the past two years. I'm the third-string kicker, the only woman on the team and nothing better than a mascot. Until I'm not. Until I get my chance to earn a full scholarship and join the team as first-string. The only way I'll make the cut is to accept help from the one man I swore never to trust again. The problem is, with each stolen glance and lingering touch, I begin to realize that trusting Trent isn't the problem. It's that I can't trust myself when I'm around him. This is a full-length, sweet, hot, safe, standalone American football romance novel.
