Pre-Columbian Architecture in Mesoamerica

Pre-Columbian Architecture in Mesoamerica

An authoritative and magnificently illustrated survey of Mesoamerican architecture from pre-Olmec times to the Spanish conquest.

Pre-Columbian Architecture in Mesoamerica is destined to become a standard reference for the serious student and an intellectual delight for the interested amateur. This authoritative yet accessible study begins with an overview of the aesthetics, meanings, functions, and techniques of Mesoamerican architecture, and then proceeds to survey the historical development of the builder's art in each of the region's cultural areas. As readers travel from the the Maya heartland of Guatemala and the Yucatan to the Aztec stronghold of the Valley of Mexico, and all the way to the northern hinterlands of Mesoamerica, they will gain an appreciation of both the unity and the diversity of the region's architecture. The concluding chapter is devoted to the descriptions of architecture that have survived in Mayan and Aztec texts; it includes a unique and valuable glossary of the relevant glyphs.

The main text is illustrated with color photographs of the spectacular remains of pyramids, palaces, and plazas, while a scholarly appendix presents maps, plans, and drawings of the most important sites and structures.

From reader reviews:

Shirley Hinkle:

Hey guys, do you really want to find a new book to study? Maybe the book with the headline Pre-Columbian Architecture in Mesoamerica suitable to you? The book was written by a popular writer in this era. Often the book titled Pre-Columbian Architecture in Mesoamerica is the one of several books that everyone reads now. This kind of book has inspired a number of people in the world. When you read this guide you will enter the new age that you never know ahead of. The author explained their plan in a simple way, consequently all of us can easily recognize the core of this e-book. This book will give you a wide range of information about this world now. So you can see the representation of the world in this book.

Clarissa Holland:

Playing with family in a park, coming to see the coastal world or hanging out with pals is something that usually you may have done when you have spare time, after that why don't you try something that's really opposite from that. One activity that makes you not feel tired but still relaxing, thrilling like on a roller coaster you are riding on and with the addition of information. Even if you love Pre-Columbian Architecture in Mesoamerica, you can enjoy both. It is a very good combination, right, you still want to miss it? What kind of hang-out type is it? Oh, come on, it's a mind-blowing hangout for people. What? Still don't obtain it, oh, come on, it's named reading friends.

Maria Mariani:

Are you kind of an active person, only have 10 or even 15 minutes in your morning to upgrade your mind ability or thinking skills perhaps analytical thinking? Then you are experiencing a problem with the book compared to can't satisfy your short time to read it because pretty much everything you only find books that need more time to go through. Pre-Columbian Architecture in Mesoamerica can be your answer because it can be read by a person who has those short time problems.

Ann Craft:

Reading an e-book makes you get more knowledge from the jawhorse. You can take knowledge and information from your book. A book is written or printed or descriptive from each source in which is filled with updates of news. In this modern era like currently, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just in search of the Pre-Columbian Architecture in Mesoamerica when you needed it?
