Learn how to rescue Jehovah's Witnesses from their slavery! Though its members represent one of the fastest-growing religions in the world, the Jehovah's Witnesses remain one of the most enigmatic and puzzling groups to many people today.] Few people never have been visited by a "Witness", but what exactly do these determined people actually believe? What makes them so different from other Christian denominations? In this spellbinding look at the Watchtower Society, Joe B. Hewitt, formerly a third-generation Jehovah's Witness who was indoctrinated by his mother and grandfather with Watchtower teachings, pulls back the curtain of mystery and exposes lies, the mind control, and the glaring contradictions of biblical truth behind the organization that has sent those smiling faces to your front door. His book contains heartbreaking stories of former adherents, including himself, who were betrayed by the JW's. Joe says instead of evangelizing others, the Witnesses themselves need to be rescued from the cult-like organization. The book describes how people who know the real truth of Christ's love can rescue the Watchtower's slaves from intellectual and emotional bondage.
