The Christmas Tree Julie Salamon

The classic *New York Times*–bestselling tale of friendship, generosity, and the magic and wonder of the Christmas spirit

On his annual search for Rockefeller Center’s next Christmas tree, the chief gardener spots an ideal candidate: a stately Norway spruce located on the grounds of a convent. There he meets Sister Anthony, a nun for whom the tree has special meaning. Orphaned and sent to the convent as a lonely young girl, Sister Anthony befriended the then-tiny spruce whom she lovingly named “Tree.” Over the following decades, as the tree grew, so did Sister Anthony’s appreciation for the beauty and wonder of nature.

She is reluctant to see her oldest and closest friend chopped down and sent away to New York City. But when a fierce blizzard threatens the old tree’s existence, Sister Anthony realizes it’s time to let the world enjoy Tree as she has for nearly her whole life.

Accompanied by charming illustrations and a new introduction by the author, *The Christmas Tree* is a heartwarming story of love and friendship, a modern holiday classic for all ages.

From reader reviews:

Donald Jefferies:

What do you regarding book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question mainly because just their can do this. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this The Christmas Tree to read.

Cheryl Alexander:

A lot of people always spent their particular free time to vacation as well as go to the outside with them household or their friend. Did you know? Many a lot of people spent many people free time just watching TV, as well as playing video games all day long. If you would like try to find a new activity that is look different you can read any book. It is really fun in your case. If you enjoy the book that you simply read you can spent the whole day to reading a publication. The book The Christmas Tree it is very good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. When you did not have enough space to bring this book you can buy typically the e-book. You can m0ore quickly to read this book from your smart phone. The price is not to cover but this book has high quality.

Marsha Bridges:

Your reading 6th sense will not betray anyone, why because this The Christmas Tree guide written by well-known writer who really knows well how to make book which might be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still skepticism The Christmas Tree as good book but not only by the cover but also with the content. This is one e-book that can break don't judge book by its include, so do you still needing another sixth sense to pick this!?! Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.

Barry Trusty:

This The Christmas Tree is great book for you because the content which is full of information for you who always deal with world and get to make decision every minute. This specific book reveal it information accurately using great plan word or we can claim no rambling sentences within it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with wonderful delivering sentences. Having The Christmas Tree in your hand like getting the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen small right but this publication already do that. So , this can be good reading book. Hello Mr. and Mrs. active do you still doubt in which?
