**Dark Fields of the Republic: Poems 1991-1995** Adrienne Rich

**"When does a life bend towards freed? grasp its direction" asks Adrienne Rich in *Dark Fields of the Republic*, her major new work. Her explorations go to the heart of democracy and love, and the historical and present endangerment of both.**

A theater of voices of men and women, the dead and the living, over time and across continents, the poems of *Dark Fields of the Republic* take conversations, imaginary and real, actions taken for better or worse, out of histories and songs to extend the poet's reach of witness and power of connection--and then invites the reader to participate.
