Take a moment to think hard about your relationships. The first one to come to mind may be with your partner or parents but there are many others in your life: relationships with your colleagues at work, your body, your past and future, your finances, even with the clutter still left in your closets. Many problems are relationship-related, and the good news is that you can heal all your relationship issues! With his best-selling title Ho'oponopono, Ulrich Emil Duprée revealed a healing method for solving problems and conflicts by using the Hawaiian reconciliation ritual to forgive both ourselves and others. This is given even greater power when combined with the family constellations method. A constellation allows underlying conflicts to be aired and resolved. It helps us to experience love and inner peace through the feeling, deep in our hearts, that we are all interconnected.
