## **Just A Nurse (Dales Mystery) Hope Gravett**

Hope Gravett qualified as a nurse in the 1950s and from then on, despite the pay and conditions, she found nursing a fulfilling career - and saw sides of life that most of us only have nightmares about. Brawling men needing stitches, a New Zealand family injured - and covered in soot - when a chimney fell on their holiday flat, a woman complaining that her backside was alight after a firework went up her skirt. Here are some of her amusing, dramatic and moving stories of her time on the wards and as a district nurse.
