Mirror Of My Soul, Sanctum Of My Heart Jasmina Agrillo Scherr

Jasmina Agrillo Scherr uses the experiences of her life to **draw upon a living, breathing quantum reality**, which she refers to as "Heart Time" to **transform trauma, illness, near death and divorce to find identity, meaning, healing and love**. Along the way, she answers the questions: As a human being what is my relationship to quantum consciousness? Where is it? How can we use it?

At the outset, Agrillo Scherr, guides the reader to **tap into the quantum experience** to uncover their soul secrets throughout her **multi-dimensional healing journey**. From the ancestral shores of Sicily, to New England, India, South America, and California, the **transformation to the next level of consciousness unfolds**. Along the way, doubts prevail, wrong turns taken, and fears faced, as the author learns to **trust what the heart feels and quantum reality knows**.
