No Word for Time: The Way of the Algonquin People

Evan T. Pritchard

No Word for Time: The Way of the Algonquin People Evan T. Pritchard

No Word for Time has garnered superlatives from reviewers and influential Native American figures, who have declared it one of the finest books on Native American spirituality ever written. Evan Pritchard, a descendent of the Micmac people (part of the Algonquin nations), aimed to learn more about his own native traditions through studying the language of the Algonquin, the key to their worldview: "They don't write in metaphor, they speak it; they don't recite poetry, they live it." The tribes collectively named "Algonquin" once occupied large stretches of North America, and their influence on our culture is vast.

This edition includes a new index and afterword; a pronunciation key to the Algonquin language; a comprehensive map of the Algonquin world; a list of the major Algonquin nations and what they call themselves; and the Seven Points of Respect for Native American Ceremonies.
