Elder Noel Lee Jackson grew up in the home of Christian parents who raised him to respect women and the Lord. He was the kind of man ladies would stop and watch walk by. In spite of all my moral upbringing, Temptation still pulled on him from every direction. He carried out his duties that any pastor would be proud. He loved the Lord with all his heart, but he had a strong desire for women that no one knew about. He kept his addiction under control for years until one encounter set off a chain of unstoppable events. It all started with the death of a close family friend who was like a second father. He went to church to find peace, but the devil was waiting to awaken the dark desires of the flesh. The events that would follow were so out of the will of the Lord, that he would take his covering from his life. Will Noel be able to repent before it's too late, and will the Lord even hear his prayers? Romans 1:24 says it best. "Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonor their own bodies between themselves."
