"The Apex Book of SF series has proven to be an excellent way to sample the diversity of world SFF and to broaden our understanding of the genre's potentials."

—Ken Liu, winner of the Hugo Award and author of *The Grace of Kings*

These stories run the gamut from science fiction, to fantasy, to horror. Some are translations (from German, Chinese, French, Spanish, and Swedish), and some were written in English. The authors herein come from Asia and Europe, Africa and Latin America. Their stories are all wondrous and wonderful, and showcase the vitality and diversity that can be found in the field. They are a conversation, by voices that should be heard. And once again, editor Lavie Tidhar and Apex Publications are tremendously grateful for the opportunity to bring them to our readers.
