The Making of a Hotwife: Volumes 1-4 Lissy Bergman

Join Megan and Chris in their exploration of hotwifing. Volume 1: I know I should've been more careful. I should've seen where things were heading. But would I've done anything differently though? I don't know. Maybe one or two things, maybe everything, maybe nothing. If I'd been able to foresee the state my life was in now, would it have even begun? This tale is primarily cautionary. Lust and Desire corrupt. Remember that, and if you ever get the chance...well, make your own choice... Volume 2: "What's a hot wife?" I asked. I didn't know it at the time but that question was to change everything. He told me that a "hot wife" was a married woman whose husband encouraged her to enjoy the carnal pleasures of other guys. The idea shocked me, "Why would a man want his wife to sleep with another man?" In Volume 2, my education and transformation into a "hot wife" continues when I meet a "bull" and a "cuckold", and I begin to discover that slut is an anagram of lust... Volume 3: My surrender to pleasure and lust had left me in a new place. I was pleased that I had such a supportive, encouraging, and loving husband and it was very arousing to let go of my old religious prohibitions and taboos and develop into a primal, sexual woman. I was also beginning to understand more about my own arousal. I was feeling more sexual sensations and feelings, and this opened me up more to my new reality, "cocks give me intense, erotic feelings," I admitted aloud. I was also beginning to feel more, and to open up. I now understood that I'd needed to feel sexy before I'd been able to even consider having sex with another man. Then, I'd needed to meet a guy who I wanted to sleep with. Pierre had awakened that desire in me that my husband hadn't been able to. Volume 4: "I'm glad we are having this conversation, there're some things I've been meaning to discuss with you too. Firstly, I want you know that I'm never going to be your sissy little cuckold. I don't get off on feeling humiliated and having a sexually dominant wife," He paused, then added "What arouses me is having a sexy and uninhibited wife, and the prestige that comes with it. Got it?" There was a new strength in his voice and I liked it. "I sucked Eugene's cock today. Did I tell you? "What? When did this happen?" I didn't reply, instead I walked over and gave him the note that Eugene had left for me, then walked back into the kitchen and poured us a glass of wine each.
